

Baka Care+

Protect More. Pay Less.

Baka Care+ gives you everything you expect from premium device protection—without the premium price.

Starting at \$179, Baka Care+ delivers two years of comprehensive coverage, screen repairs, battery replacement below 80% capacity, and full technical and software support by phone or chat. That's Apple-level protection at a lower cost—and clearer, more complete coverage than Samsung Care+. With transparent service fees and coverage beyond the manufacturer warranty, Baka Care+ is built for real-world use and real-world value. Simple to buy and easy to use, Baka Care+ is the smarter way to protect your device.

Coverage begins on the purchase date and continues for the term shown on your receipt and may overlap with manufacturer coverage. The Plan provides repair or replacement, at Provider's discretion, for mechanical or electrical failures and defects in materials or workmanship arising from normal use. Repairs may use new, refurbished, or equivalent parts.

The Plan excludes loss, theft, cosmetic damage not affecting function, misuse, neglect, unauthorized repair or modification, environmental damage (unless expressly stated), accessories, non-original parts, data loss, SIM cards, and third-party software. Approved claims are subject to applicable deductibles, including but not limited to \$39 plus tax for screen-only repairs and \$129 plus tax for full replacement.

Service must be requested through Provider prior to repair and may require proof of purchase, device identification, and issue description. Service may be fulfilled via mail-in, in-store, or authorized third-party repair. Technical Support is provided based on availability. If replacement is issued, the replacement assumes the remaining term of the original Plan only. The Plan may be cancelled within thirty (30) days of purchase for a full refund if no claims have been made and may be transferred with proof of purchase and written notice to Provider. Manufacturer defects via the manufacturer for the first 12 months. Non Refundable.

Provider's total liability is limited to the original retail price of the Device. Provider is not liable for indirect, incidental, or consequential damages, including loss of data or use. This Plan is not insurance. Governed by the laws of the Province of [Province] and the applicable laws of Canada. Terms subject to change in accordance with consumer protection laws.
